Niroop Srivatsa – Planning and Building Manager
City of Lafayette
Lafayette, California

Dear Niroop,

After some twenty years, 400 meetings, and 1600 hours, I feel its time to leave the Design Review Commission and let someone else have the fun. I do mean fun, since I have enjoyed working with the many fine fellow commissioners on both the Design Review and Planning Commissions, as well as your friendly, smart, and efficient staff.

I want to thank you, your staff, and the many commissioners and council people who have made my experience so enjoyable. While I plan to remain active in architectural projects in Lafayette with my firm, I know I will have pangs of guilt every other Tuesday night for a long time to come.

Sincerely,

Tim Ward
